## MADE TO MINGLE

### LIVING ROOM

Welcome to not your ordinary Living Room. Watch the action unfold, or create your own in intimate seating areas along the original Art Deco arcade. Groove to live DJ mixes or sip a signature cocktail set amongst decor inspired by art deco cool of the Roaring Twenties, where you'll sink into plush, oversized furniture or get tied up in cheeky chairs with corset backs. Steal away through a secret door in the wall into our Speakeasy—a stylish private space for those more intimate occasions.

### MANNY'S STEAKHOUSE

Recently named one of the 10 Best Steakhouses in the World by Men's Journal, Manny's serves USDA-certified, dry-aged, center-cut beef, hand trimmed by master butchers. Our menu reflects the availability of locally sourced ingredients offering chops, chicken and premium fresh vegetables. Count on stone crab claws and fresh Alaskan King Crab legs when they're available, along with specialty cuts of steak.

For subtler pleasures, peruse Manny's wine list. In addition to a 300-bottle regular list, there is also an extensive reserve list with deeper vintages. Reservations recommended.

### IN-ROOM DINING

If you feel like staying in, we offer a full in-room dining menu that's available 24 hours a day. From classic breakfast to late night noshes, we're here for you.

### PROHIBITION BAR

Our quiet escape at the top of the world. You're invited for a cocktail among the clouds, as you lounge in Wilbur Foshay's old office and boardroom by original windows, stairs and African mahogany woodwork. Whether you're up for socializing at the bar or prefer the intimacy of secluded seating areas, enjoy the colorful signature W drinks list, sparkling champagne collection for celebrations and an extensive list of fine wines and vintages—yes, we have a cellar all the way up here.

Anywhere you turn, full windows present breathtaking views of the city below and on a clear day, you can see forever. Hosting a dinner for two or high-powered session? Mr. Foshay's personal boardroom is available for private events.

# ESCAPE

A photograph of the W Minneapolis lobby. The ceiling is a vibrant pink with a geometric, faceted design. The walls are a warm, textured brown. The floor is made of large, multi-colored tiles in shades of pink, red, and brown, arranged in a complex geometric pattern. In the center of the lobby, there are two curved, illuminated reception desks. The background wall features two large white 'W' logos. The lighting is warm and ambient, creating a modern and sophisticated atmosphere.
